## Wistaria Weekend Planned; Dance, Pageant Featured

By Randolph Linthurst

Final arrangements for the 1953 Wistaria Weekend, May 1, 2 and 3 have been completed. The three day celebration is planned full of events slated for both alumni and students.

The weekend will officially get underway Friday with a track meet at Seaside Park between the UB harriers and White Plains Tech at 3 P. M.

Feature of the weekend's events will be the Wistaria Ball scheduled for 9 P. M., Friday evening at the Ritz Ballroom, highlighted by the music of Ray McKinley's orchestra and the presentation of the Wistaria Queen. Tickets and table reservations may be obtained at Alumni Hall or Marina Dining room starting Monday in exchange for Student Activity Ticket no. 33.

Saturday's events begin with an alumni luncheon at the Student Center. At 2 P. M., two faculty-alumni softball teams will

Wistaria Queen candidates are Beth Drexler, Anne Cassidy, Barbara Ahlstrand, Helen Brown, Eleanor Hoffman, Jean Baltrusaitis, Dorothy Marino and Dorothy Passiuk.

face two Intramural all-star teams at diamond four in Seaside Park, vying for honors in both men's and women's classics. According to the Athletic Office, starting pitcher for the faculty-alumni team will be President James Halsey, clad in shorts.

Following the softball games, the alumni will sponsor an outdoor dinner on the Marina Hall grounds. Non-resident students and faculty members must obtain tickets at the Office of Student Activities, Alumni Hall, before April 25.

There will be no charge. From 7:30 to 9 P. M., the Alumni Association will sponsor a (continued on page 4)

## Four New Organizations Receive Recognition By Univ. Board of Trustees

Four organizations recently receiving official recognition by the University are: The Pen and Keys Club, Music Club, Mathematics Club and Pi Sigma Alpha, political science fraternity.

Their constitutions have been approved by both the Board of Trustees and the University administration. Aiding these organizations in securing official recognition were Mr. Floyd Brewer, Mr. William DeSiero, Prof. Simon Mowshowitz, Mr. John Sherry and Mr. Harry Goldstein, University attorney.

## Family Relations Council Conference Here Saturday

The Tri-State Council of Family Relations will be the guests of the University of Bridgeport Saturday for its annual Spring conference.

The theme of the conference will be "Newer Methods in Family Life Education" to be developed by a film forum and a symposium.

As in the Past, outstanding psychiatrists, psychologists, sociologists, social workers, home economists, attorneys and educators in the field of family relations are expected to attend. Dr. Robert F. Goldenson, psychologist at Hunter College, N. Y., is president of the council.

## HELICON DUE MAY 1

The Helicon is now in the proof stage and is expected to be ready for distribution about May 1.

## Free Tickets for Weekend Available to Students Now

Tickets for the Wistaria Pageant and dedication of Alumni Hall May 3 are available at the Publicity Office, second floor, Cortright Hall on a first come, first served basis.

Three tickets have been allocated for each student's use including those who plan to participate in either or both of the ceremonies. A reserved section will be maintained for members of the Alumni Association and for participants in the dedication ceremony at 3 o'clock preceding the Pageant. Seats will not be held after 2:30 P. M.

Free tickets are also available to students, alumni and faculty for the buffet supper at 5:30 P. M. May 2 at Marina Hall. These tickets must be procured by April 25 from the Social Activities Office in the second floor, Alumni Hall.

All other events of the Wistaria Weekend including the Alumni Reunion dinner are also without charge.

## Munieci Is Mayor; Bridgeport Day Will Be Tuesday

Vic Munieci, SCRIBE editor, was elected to serve as mayor of Bridgeport for a one day tenure. April 28, after tabulation of votes cast in the Bridgeport Day election last Wednesday.

The eight successful candidates elected to the position of aldermen were Carl Dickman, Bob Levine, Harvey Seltzer, Richard Barrett, Dick Ellis, Ben Gallucci, Al Munrow and Lucille La-Macchia.

Second place in the mayoral race went to Andy Demotes, followed by Roger Saxon. Other candidates in the aldermanic race were Richard Watt, Charles Maggio, Ronald Meuser, Bruce Hardwicke and Russell Schatz.

The mayor and councilmen will meet in a joint session today to appoint students to fill the offices of police chief, fire chief, health officer, city attorney and city engineer.

## Summer Session Program Planned

Students' advisers will be available for consultation in their offices between 10 A. M. and 12 noon, Tuesday, May 5 for summer registration, announced Dean Earl M. Bigsbee.

Completed programs of curricular activities should be brought to T-201 between 1 and 4 P. M. May 5.

Those failing to register at this time may do so on Thursday or Friday, June 25 or 26, 9 A. M. to 12 Noon and 1 to 4 P. M.; and on Saturday, June 27, 9 A. M. to 12 Noon, in the Technology Building.

Summer classes will begin Monday, June 29.

## Draft Eligible Students Should Notify Personnel

Any Selective Service Registrant who has earned a score of 70 or better on the College Qualification Test should report to Student Personnel in order that a special deferment appeal may be made to his local draft board.

## Frosh To CAPPitalize On Famed Cartoonist

By Carl Dickman and Irmie Thropp

The spirit of Al Capp will once again invade the UB campus this Saturday at 8 P. M. when the Freshmen Class sponsors its Sadie Hawkins Day Dance in Alumni Hall.

## West Point Wins In Close Decision

West Point defeated the UB affirmative debaters, Harvey Seltzer and Ron Brandenburg, by the narrow margin of 84-83 last Friday in a scheduled match at West Point on the national collegiate topic, "Resolved: That the Congress of the United States should enact a compulsory Fair Employment Practices Law."

The negative side of the argument was upheld by Mary Royak and Vic Munieci against an affirmative team of cadets. There were no judges available for this portion of the debate; however, and a decision was not rendered.

The debating team will travel to Albertus Magnus soon for a return engagement with the Catholic girl's college in New Haven. A debate on congressional investigations is also scheduled with Danbury State Teachers College.

## UB's International Film Festival Opens Tomorrow

An International Film Festival including French, German and Spanish films will be presented by the Department of Foreign Languages starting tomorrow with "Crime and Punishment" at 3 P. M. in T-101.

The German film, "The Captain of Koenig," will be shown on May 8, with the Spanish feature, "The General and the Senorita," playing at the Tech. lecture hall on May 15. No charge will be made.

## Hellwig Takes First Prize In Annual Speech Contest

Gilbert Hellwig was chosen the first place winner in the 6th annual University of Bridgeport speech contest in the Burroughs library lecture hall last Thursday evening. He received an Underwood portable typewriter, donated by the Underwood Corporation.

## DiLeo and Allen Highlight Last Four Convocations

Lewis M. Ice, librarian, announces that only four convocations remain to complete the semester's program. All students should check their convocation credits to verify that their requirements have been filled.

Remaining programs include a senior recital by Mary Jane Marshall, violinist, Sunday at 4 P. M. in the Library; "Can the Republicans Reduce the Income Tax?" a lecture by Francis X. Di Leo, Tuesday at 4 P. M. in the Carlson Lecture Hall.

Also, a lecture by William Allen Tuesday, May 5 at 10 A. M. in the Carlson Lecture Hall; and a senior recital by Edward Leach, pianist, Sunday, May 10 at 4 P. M. in the Library.

UB students have been Al Capp fans for many years now. This was shown by the Shmoos Day Celebration in 1948 and '49 and the Sadie Hawkins Day in '51.

The rules for the dance are that all men are eligible for capture and that tickets are available to WOMEN ONLY. These tickets may be purchased at Alumni Hall for \$1.00. The mode of dress at the dance is restricted to dungarees, flannel shirts or dress of this sort.

Marrying Sam will be hitching up the couples on Saturday and at the dance. Refreshments (not kick-a-poo juice) will be served

The Sadie Hawkins' race will take place at 2 P. M. this Saturday at Marina Circle. Regalia should be jeans and other appropriate Dogpatch dress.

and the band will play both 'square and round' dance music.

Daisy Mae and L'il Abner, who will be crowned at the dance, will be elected in an unusual manner this year. In order to cast a vote money must be placed in a jar which is under the candidate's picture. At the end of the week the candidate with the most money in his jar will be the winner.

The proceeds of the election and 1-3 of the proceeds from the dance will be donated to the Alumni Hall Furniture Fund, 1-3 to a Freshman Class Scholarship Fund, and the remainder to the Freshman Class treasury.

Plans are still in preparation to make this year's Sadie Hawkins Day Dance better than ever.

## Civilian Defense Registration Prepares UB For Emergency

"The University of Bridgeport will be the first in the country to have a complete CD unit," said Chris Wesche, head of the CD here, as plans got underway for such a unit in the Seaside Park campus area.

Formation of the unit will begin this week with registration of students and faculty at Alumni Hall.

The only other known college, at least in this area, to have any CD participation is Trinity College of Hartford, which has organized a litter bearer's unit, according to Mr. Wesche.

Organizational plans at UB include registration of as many volunteer workers as possible who will begin actual training now. This training will continue throughout the summer and the group will act as a nucleus for a group of additional volunteers in the fall.

Units to be organized include auxiliary police and firemen, warden service, rescue service, first aid, registration, litter bearers and communications.

Coeds from Weylister Secretarial School's "Pen & Keys" group have volunteered to assist in the registration period.

## Prom Highlights Festivities For Senior Weekend

The Senior Prom, to take place in the Rose room of the Stratfield Hotel, will open festivities for the Senior Weekend of May 29-31. The Prom will be semi-formal, corsage, and will cost approximately \$5.50 per couple.

The Winter quarters of the Stratfield have been chosen for the Senior Banquet on May 30 at an estimated cost of \$3.75 per person or \$7.50 per couple.

Climaxing the weekend will be the senior picnic at Scollin's Grove on May 31. An approximate cost of \$2 per person and \$3.50 per couple has been set for this affair.

The total cost for the entire weekend has been estimated at \$16.50 if all affairs are attended in couples, and \$11.25 if all affairs except the Prom are attended as an individual.

## Your Cooperation Needed

The honor of being the first college in the nation to have a complete Civilian Defense unit is dependent upon the participation and wholehearted cooperation of the entire student body in this defense effort.

Registration is now underway on the University campus to obtain a volunteer group of students who will begin actual training for the remainder of the semester and return in the Fall to act as leaders in the CD project at that time.

The importance of a well-trained Civilian Defense unit to both the City of Bridgeport and the campus can hardly be minimized. A CD unit will be a major contribution towards preparing the University and Bridgeport area for an emergency.

But it requires YOUR cooperation and YOUR participation.

## Think Before You Vote

Too often, candidates for the Student Council have placed themselves in the election race either as an opportunity to prove their popularity with the student body or to provide themselves with a chance for self-aggrandizement through the attainment of power normally associated with a representative of the student body.

This past semester particularly, has seen the development of backroom politics that has resulted in coalitions, promises and unhealthy "deals." The policy generally has undermined the faith of the student body in democratic elections, with the result that students no longer seem to know whom to believe, or for whom to vote. Many students who do not have the interests of the student body directly at heart get elected into important positions.

If the Student Council is to function effectively as representatives of the student body, then every member of that governing body should be elected solely on his qualifications and not on his popularity or because he is a member of a particular fraternity or sorority, or has made undercover "deals" with equally unscrupulous compatriots.

If he expected work, why did he hire me?

## Dear Editor

On May 6-8, You will be voting to elect representatives to the Student Council. These are the students who will represent you during 1953-54.

Unfortunately I have learned that you will be exposed to a great deal of dirty politicking and unethical recommendations by certain avowed candidates as to the way you should vote and for whom you should vote.

Too often, the result of following this advice destroys the principle of an elected person representing those who elected him. That is, people who get elected do not have the interests of their class and the entire student body at heart, but rather have their own selfish interests or the interests of a small group as their primary concern.

Often they are not able to get elected to office on the basis of their capabilities, or are without principle and resort to politicking and fancy promises as the means of obtaining election.

When you vote, please remember that the person who makes promises, or who is a personal friend or has some other affiliation with you, is not always the best person to elect to your Student Council.

Elect your representatives not because they are from your fraternity, your club, or your organization, but because they are the most capable to represent you and your class on your Student Council.

Harvey Seltzer,  
Pres. of Student Council

- TODAY —**

- WEDNESDAY —**  
10 A. M. - 3 P. M. — Wistarian Ball Reservations - AH.

Application blanks for Civilian Defense units should be returned by Friday, May 8.

## Students Must Matriculate If Degrees Are Expected

By Dave Guion

Ignorance is no excuse, if you break a law. Here is a "law" you may be ignorant of and no excuses are accepted. This "law" states that you must matriculate if you are to receive a degree from the Evening Division.

Matriculation is a big word for which there is a meaning in the dictionary, but which has no meaning for too many students.

There are two types of students in the Evening Division; matriculated and special. A matriculated student is one who is working toward a degree. A special student picks courses of immediate interest to himself without thought of a degree. Both plans have their place in the field of higher education.

The Evening Division, however, is constantly approached by special students who have decided they have acquired enough points to

apply for a degree. They go to the office, state their case, and are floored by the answer they get. "You have not met the necessary requirements. You have never been matriculated. We can't give you a degree!"

What sometimes follows is not printable, but it boils down to this: the student, perhaps for the first time, finds that if he is to receive a degree, he must acquire the necessary educational and personal background to be considered by the University as a worthy candidate for one of the degrees or certificates. Without meeting these requirements, he cannot be presented with any award of university level.

In short, if you are out for a college education, MATRICULATE!

## In-Service Education Needs Stated In Article By Becker

By Thad R. Yazdzik

In his article "Protecting the Investment in Faculty" which appeared in the January issue of The Journal of Educational Sociology, Harry A. Becker, Dean of the College of Education and Dean of Administration stressed the importance of in-service educational programs for all professional personnel affiliated with colleges and universities.

In-service growth refers to the furthering of one's education after the completion of the formal education which qualified the individual to become a member of a college staff.

"The changing world, new developments in a professional field, the availability of new instruments for research on teaching and the infinite differences among students all make professional study a lifelong activity," said Dean Becker.

The responsibility for the administration of such programs lies

with a number of groups in a university according to Dean Becker. Before a program of this nature could be launched, it must be approved by a board of control which is progressive and understanding of the continuous nature of learning.

Then officers who will be empowered to administer the program with authority must be chosen. Finally, the real success or failure of the in-service growth can be realized only if each member of the faculty or administration cooperates fully in the application of the program.

The end result of such a program would be a staff which could teach better and help students to a richer education.

By IRNIE THROPP

The Inter-Fraternity Council has decided that Alpha Delta Omega will be officially accepted into the full ranks of the IFC as soon as ADO submits a formal letter of application for re-admittance.

ALPHA GAMMA PHI is planning to have their big weekend very shortly. It will consist of a closed dance and a traditional picnic. AGP's most recent members are John Anderson, Walt Johnson, John Kehoe, Gus Linardos, Archie Curie and Bill Duggan.

BETTA GAMMA is planning a picnic for Saturday. The girls will end the day by dragging their men to the Sadie Hawkins Day Dance.

DELTA EPSILON BETA is tentatively planning a picnic on May 2, adding to the festivities of Wistaria Weekend.

PI OMEGA CHI had a party at Marty Hosen's house last Friday evening. Nominations for 1953-54 officers were held Monday night and the elections will be this Monday. POO weekend will coincide with Wistaria Weekend. Four brothers are planning nuptials this summer. Among the fortunate (or snail we say unfortunate ones) will be Red Krasner, Marv Walter, Bob Unger and Gary Singer.

SIGMA PHI ALPHA Alumni Ass'n. is planning a dance in honor of their graduating brothers. It is rumored that SPA and POC are planning a "package deal" which includes an exchange of Dick Handler, Ron Gold and two pledges for Vic Muniec. No cash involved.

THETA EPSILON is planning to have a closed party Friday night. . . destination unknown. If you hear a new rendition of "Viva La Company," it's only TE's new drinking song (coke if you please).

THETA SIGMA is having a cocktail party before and after the Wistaria Ball. Wonder if they'll ever make it to the dance? The boys are also planning a party for Saturday night of the same weekend. No one knows where it will be as yet, or is it that they just won't tell?

COLUMBIANS NOTE: I would like to thank my sorority sister, Myra Seide, for doing such a wonderful job on my column last week.

## Iona Breaks UB Win Streak; Seton Hall Next Opponent

By Don Burke

Iona College snapped the University of Bridgeport Golf Team's winning streak at nine straight after a hard fought contest at Winged Foot Country Club at Mamaronek, N. Y. last Monday, downing the linksters 4½ - 2½.

The defeat was decided in a wind-swept rain and marked an end to a skein of victories which extended from April 14, 1952, however the overall record of UB's golfers since 1948 stands at a lofty 37 wins against 12 defeats. In this seasons play UB had chalked up two successive victories at the expense of New Haven State Teachers and White Plains Tech before succumbing to Iona in the last fracas.

In the Knights initial loss of the season Dick Watt and Walt Leveen (UB) played superlative golf as they bested their opponents in both encounters 5 and 4 and 3 and 2 respectively, while Hubie Vines, in a brilliant effort against the goosy going, had to settle for a tie with Bill Braddock of Iona. Mike Valocin (UB) suffered a heart breaking defeat on the last soggy green when he lost to Dick Carpenter (I) 2 up. Walley Weaver and Pete Combene (I) defeated Al Satz and Lou Saccone (UB) by the identical score of 3 and 2 while Fred Mills (UB) bowed to Dick Fletcher (I) 2 and 1.

Next Thursday UB will face Seton Hall of New Jersey in their first meeting of the campaign and on Friday the Knights will play host to Fairfield University at Fairchild Wheeler Park.

## Bad Weather Holds Up IM Softball Slate

Inclement weather forced postponement of the opening of the 1953 softball intramural league on Monday and Tuesday. Yesterday's contests finally got the padded circuit on the road.

Because of the late start of the league, the regular season may have to run into the second week of May, a week originally planned as the playoff date. The playoffs will be moved to the latter part of that week.

Games scheduled for today were not postponed with the others because it was felt that the fields would be dry enough to start play. This afternoon will see SPA-POC, KBR-APO, AGP-ADO and TS-Park Hall.

Next week's schedule is as follows:

MON. 7 vs 9, 5 vs 8; TUES. 1 vs 4, 2 vs 3, 6 vs 7, 5 vs 8; WED. 5 vs 9, 6 vs 8; THURS. 1 vs 3, 2 vs 4, 7 vs 8, 5 vs 6.

## New Britain Opponents For Track Squad

By Mickey Vail

New Britain was the scene as the University of Bridgeport track squad opened their six-meet, 1953 season yesterday against the Teachers College of Connecticut. Coach Walter Kondratovich of UB was optimistic over his teams chances, although TCC was favored to win.

Next Wednesday, the Purple Knights open their home season against Fairfield U. at Seaside Park. Last year UB notched its first track and field victory against these same Stags and with the many additions and improvements to this years squad, Kondratovich hopes to better last years 57½-54½ score.

This season's team has more talent and more depth than any previous entry at this school and could very possibly post an impressive record. In every event the team shows a marked improvement over the 1952 Squad.

Never before has Kondratovich been able to field two men like George Cucak and Paul Hennion, the most outstanding new talent. Both are capable of throwing the javelin, discus and shot put farther than the established UB records. Another promising newcomer is middle distance runner, Fred Klein, who is also very adept in the discus.

'Kay' is of course banking on his veterans to carry much of the load, but the performances of the newcomers can make or break the season.

Most of the entries are set for Wednesday's meet against Fairfield, but the race for the mile relay team is wide open. Against TCC 'Kay' was expected to use Jim Halsey, Jerald Hegarty, Klein and either Charlie Wicke, Don Glasing, Tom McNeil or Frank Abramonte in that all important event.

## Council Elections May 6, 7 & 8

The sixth annual Student Council elections will be held May 6, 7 and 8 according to an announcement made by Emilio Riccio, president of the Political Relations Forum, whose organization is running the contest. Campaigning will begin next Monday and will end when the last ballot is cast May 8.

The students of next semester's senior class will elect six representatives and two alternates to the council. Juniors will place five representatives and two alternates while Sophomores will select four representatives and two alternates.

All candidates who are full-time students in good standing may obtain nomination blanks from the Student Activities Office or the elections committee. Nominees will return information and data to Student Activities Office by 5 P. M., May 4.

Bridgeport

By AL LEPOW

Long an advocate of re-instating baseball to its rightful place on the University of Bridgeport's campus, this column is now ready to offer what it considers to be a completely acceptable proposal both to the administration and the student body.

Biggest drawback to former ideas of rebirth of the national pastime on our local campus was the financial angle and the shortness of the season. This new plan solves the former problem, unfortunately the latter one remains to be proven or disproven by nature itself. Actually, this column does not feel that the six weeks available is too short in which to work out at least a ten game feasible schedule. Other schools open their season about the same time and get at least ten to a dozen games under their belt before the third week of May.

Briefly, here is the plan. Recently the Student Council voted a raise in the student activity fee from \$6 a semester to \$8, an increase of \$4 per year per student. Why not have the Student Council allocate about \$1 of that amount to sports, including baseball, swimming and tennis. The approximately \$1000 it would total should be enough to keep all three sports going on a full time basis. However, should it fall slightly short, then the administration should kick in the remaining amount, which wouldn't total very much.

The University already has a full set of uniforms and equipment for baseball, so the huge initial outlay is not needed. The \$1000 should be ample enough to cover operating expenses and to supply balls, bats and other necessary items.

Should any of the \$1000 be left over at the close of the school year, then that amount could be used for new uniforms or equipment, thus eliminating any huge outlay at any one time in the future.

Tennis is virtually costless, as is swimming. The only real expense involved in these two sports is traveling expenses to a few away meets, possibly grand totaling about \$250 a year.

There has been much talk among the male student body indicating that they not only would like to see baseball revived, but will whole heartedly support it with attendance and participation. In one estimation, at least, it deserves a trial and this plan should provide the necessary backing for that trial. If it proves a failure, then it could be abandoned, but this column feels that the Student Council owes it to the student body to at least see it out.

If any better plans are formulated, let's hear the views on this plan. A single individual is powerless to initiate it by himself, but with some solid support, it could go into effect.

By ANDY DEMOTSES

According to latest reports from the Social Activities Committee, this year's Wistaria weekend promises to be one of the most spectacular of all.

If you notice Harvey Seitzer standing out in front of AH with a sad look on his face, it's because of the garbage that has been thrown around there the last couple of nice days. It's fun to sit out in the sun, but let's try to keep the place neat and clean.

If you were at the SLX dance a week ago, you would have enjoyed the great new comedian of UB, none other than Hymie Katz of Trumbull Hall. He was great.

Cissy Ross, who makes her home in Wistaria Hall, is still wondering why John Carroll refused her request to "buy the boys in the band a drink" just because the "boys" she was referring to were the ones in the juke box.

Leo Kney, president of the Tuesday Afternoon Bridge Club, announces that Hal Trischman has been asked to resign and new members are being considered. Ben Gallucci still selling pots and pans, as is Frank Rizzardi.

Paul Hirth, former UB footballer and brother of Ray is leaving for the army soon. Two bopsters upon the moon listening to a record. One says to the other, "Man, dig that ca-razy new song, 'How Low The Earth'."

How 'bout Steve Michaels planting seeds in front of Alumni Hall as his contribution to the permanent beautification of those

hallowed grounds. . . Couple of boys report a wonderful time at regional conference of APO at Springfield College.

Sue Rosner has been elected president of one of the newer clubs on campus, the IRC, which had its origin at Linden Hall. . . With all the tents around here last Saturday afternoon and night, it was difficult to tell if we were at a college or an Army Camp. (Some people say there isn't much difference).

All the guys had fun at BG's booth, "Getting Gertie's Garter." Another interesting bit were the taxi dancers from Seaside Hall, who charged unsuspecting males the not-so-nominal fee of ten cents per dance.

Frank Anastas back for a few days after a tour of the South and West. . . Jackie Fuller from up around Boston way was here this past weekend. Still as full of the devil as ever.

Real crazy game they play at Southport Hall on Sunday evenings. Everyone kneels on the floor, with their small fingers and thumbs touching. Nothing happens. Everyone laughs, then gets up looking very embarrassed. . . Neil Hubert, waiter at the Seawall, wants to know who the guy was who ordered a hotdog plain, with mustard, last week.

Campus Thunder star Joyce Mathewson and auto salesman Dick Kalm planning a June wedding. Good luck, kids!

Had an opportunity to talk to the dark-haired beauty from Schiott Hall the other day. Sharon Bramson is her name and going home at 1 o'clock in the morning is her game. (Home to New York, that is. Not just back to the dorm).

I was a little worried about who was going to play at the Wistaria Ball until the news came out in The SCRIBE last week. Ray has a wonderful band and I think the Social Activities Committee deserves a pat on the back for a job well done.

That about winds it up for this week. Just think, there are only about five more weeks 'till the end of this semester. Wonderful thought, isn't it? ?

## UB Musicians Help Create Beautiful Music Together

Never let it be said you have to "Put another nickle in" for a bit of music! Not with the Music Department's Sunday Afternoon Musicales. Not only will you get some swell entertainment and meet some friendly people, but it's "for free."

The feature of this month will be Mary Jane Marshall, girl in the spotlight for Sunday, when she will give a violin recital at the library. Another senior recitalist will be Ed Leech at the piano. A musicale will also be held May 6. Convocation credit will be given for both presentations.

Speaking of music, the band played several concerts this month, at Milford High, New Canaan Junior High and Central High, Bridgeport. Other presentations by the Band Concert will occur at Bassick High and Bullard Haven Tech later this month.

The Music Club recently ventured to New York City to hear "King David," by David Hoenig, held at the Church of the Ascension.

Another project of our music-minded, is the selling of tickets, in cooperation with the Wednesday Music Club, for a series of musical presentations. Next year's series included offerings by the Companions of Song, William Warfield, star of Gershwin's "Porgy and Bess" and France's Bard of the Republic. Subscriptions are \$750 for four concerts. Interested persons should contact the Music Department.

### Library Receives Volumes From Cortright, McKelby

UB's library received a 25 volume set of books by Dickens from E. Everett Cortright, president emeritus.

The fact that Mr. Cortright has presented several hundred volumes to the library indicates the active interest which he takes in the University's affairs.

Also received this week was a set of six architecture and engineering handbooks which Vincent B. McKelby has presented in memory of his father.

### Delta Epsilon Beta Starts Greek Letter Scholarship

Delta Epsilon Beta yesterday presented a \$25 check to the University to start a Greek Letter Scholarship fund at UB. It is hoped by the fraternity that other fraternities on campus will add to this fund, thus enabling a needy student to continue his studies.

The presentation was made by Peter H. Trotter, president.

### WISTARIA WEEKEND

(continued from pag. 1)

social at Alumni Hall for students and alumni featuring the music of the Downtowner's Quartet.

Saturday has been set aside by the committee as Fraternity Day and most Greek letter groups are planning social affairs for their actives and alumni for the day and evening.

Sunday's events will open with an alumni meeting and dinner at Marina Hall at 1 P. M. The dinner will be followed at 3 P. M. by the Wistaria Pageant. The event will include the dedication of the Student Center and will feature the crowning of the Wistaria Queen. Tickets for the pageant must be obtained from the Public Relations Office in Cortright Hall and will be distributed on a first come, first served basis. An "open house" in the Center will follow.

Commencing Friday and taking place during the whole weekend, the Art Department will sponsor the annual Art Fair on the Fairfield Hall grounds.

### Dr. Read Back From Trip To AACSB Meeting In La.

Dr. Eaton V. W. Read, Dean of the College of Business Administration, has just returned from Baton Rouge, La. where he attended the annual meeting of the American Association of Collegiate Schools of Business.

### Authors Sachs and Murray Publish Nursing Articles

Elizabeth J. Sachs and Beatrice Carlson Murray, faculty members of the College of Nursing, have received recognition in current leading professional journals.

Miss Sachs is co-author of a text, "Nursing Care in Communicable Diseases," which has been favorably reviewed in the April issue of the AMERICAN JOURNAL OF NURSING.

Mrs. Murray has had her article "Student Experience in Infants' and Children's Diet" published in the March issue of NURSING OUTLOOK.

### Violinist M. J. Marshall's Senior Recital on Sunday

Mary Jane Marshall will give her senior recital this Sunday in the Fones Hall Library at 4 P. M. Miss Marshall, who is majoring in music, is a member of the Connecticut Symphony orchestra.
